### Christmas Greetings,

*We've always looked forward to Christmas as a family. As our children grew Joye sought to make Christmas special for us each year. As time passed and our children moved away it became more difficult to keep things the same. Gratefully, Christmas will be especially enjoyable this year, since Robert and Keri and the kids are able to spend Christmas with us. Liz and Danny and their little tribe will be here as well. And the famous "Aunt Holly" will make it complete. Sadly, we will be missing Diane, Joye's mom, this year. But we know that Diane is having a great Christmas!*

*Family is very important to God. That's why Christmas is a good time to read Galatians 4:4, "But when the fullness of time had come God sent forth His son, born of a woman, born under the law to redeem those who were under the law so that we might receive adoption as sons. And because you are sons, God sent forth the Spirit of his Son into our hearts, crying, 'Abba! Father!'" So you are no longer a slave, but a son, and if a son, then an heir through God." Jesus didn't come as a babe, die as the God-man and rise from the grave just to save us from our sins, He came to make us sons and daughters of the Father!!*

*Joye and I pray that you and your family will have one of the most meaningful Christmas seasons ever, as we consider that "God sent forth His son" so that we might be sons and daughters of the Father and brothers and sisters to one another.*

*Ken and Joye*
