Current Bible Study:

Each week we are watching a 5-7 minute video taught by Francis Chan on right now media, which discusses the chapter and verses that we are covering that week.

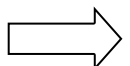

We will be wrapping up the book of James in September, and will have details mid September of what the student ministry will be studying next! Stay tuned for details!

Thank you for allowing us to have the opportunity to come alongside your teenager on Sunday mornings and dive into the Bible with them.

Blessings,

Chris and Leigh Sherrill
